Senior Class Executive Committee: Short, Derby, McClinton, Culbertson, Chapin

THE SENIOR CLASS

THE CLASS OF 1943 is the first to feel the real impact of World War II. With over half the cadet corps consisting of new boys, it took much longer than usual to round into shape a well-functioning battalion, and much of this responsibility rested on older boys, chiefly seniors. Hence it was not until February that they could set aside time to secure a class organization.

In February the class held its first meeting and elected their officers. Jack Lieb, elected President, was soon called into the service and was succeeded by Bob McClinton. So the list of officers is as follows: McClinton, President; Bob Short, Vice-President; Roland Derby, Secretary-Treasurer. Bill Chapin and George Culbertson, besides the officers, made up the Executive Committee of the class.

Much responsibility for the success of the Winter Carnival rested on the Senior Class. A couple of informal hops were arranged during the winter and spring. Upon organizing they decided to issue *The Haversack* and appointed a committee to select the personnel for that.

Torn between the call to college and the call of armed services, members of this class naturally had their minds on a mixture of scholastic aptitude tests, V-12 programs, the Navy, the Marines, the Air Corps. It is probably the "most examined" class in Manlius history. Its commencement exercises were witnessed by the biggest student body and the smallest aggregation of Alumni in years.

(Commencement honors won by Seniors will be found under COMMENCEMENT AWARDS)

THE BATTALION & SCHOOL SPORTS

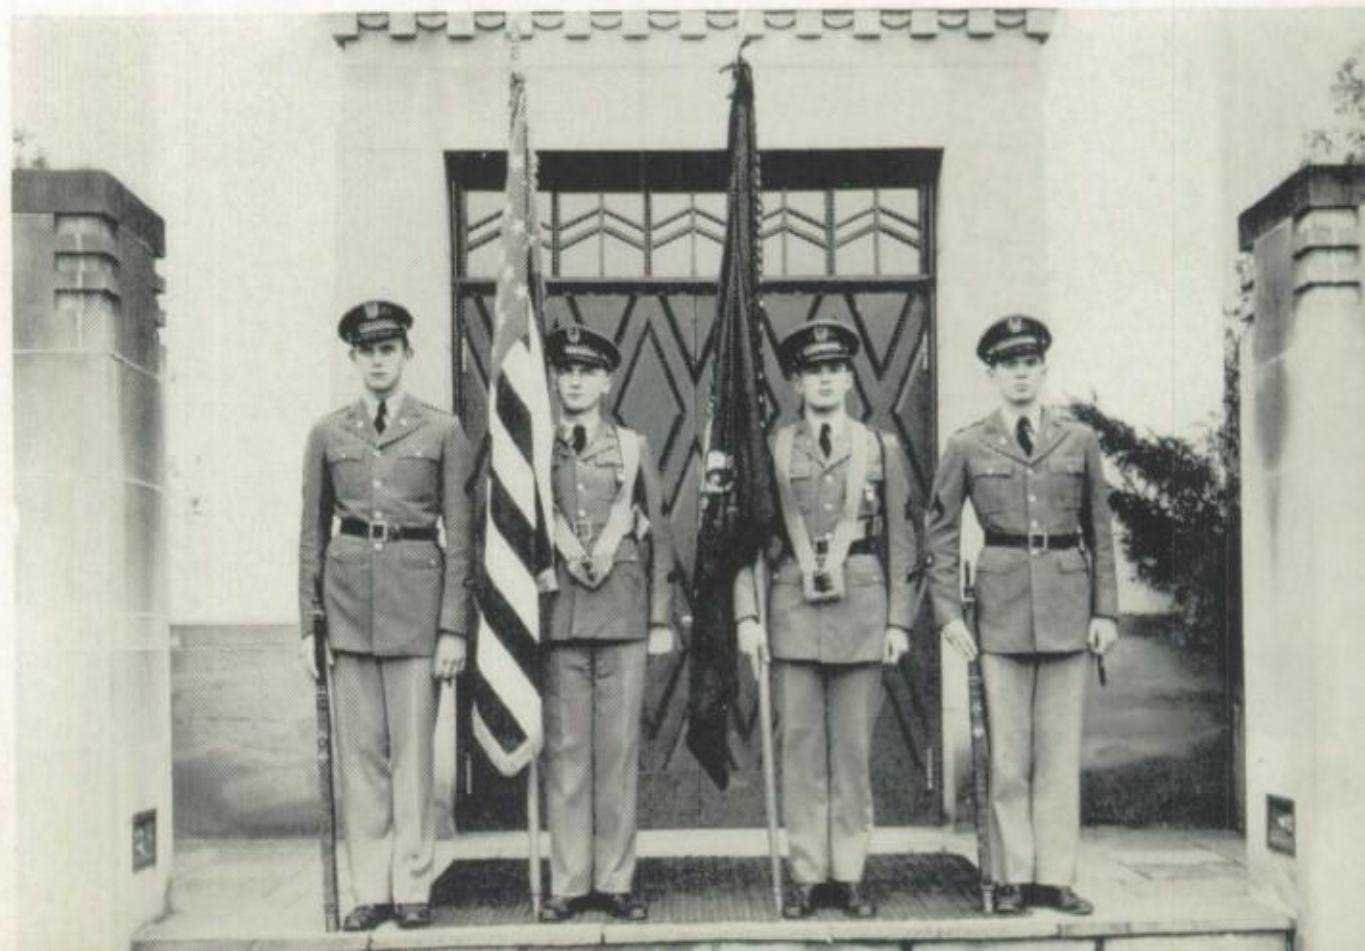

Battalion Officers

THE MILITARY YEAR

THE MILITARY SET-UP for the year 1942-1943 was substantially the same as in previous years, namely, the Corps of Cadets was again organized into a Headquarters Company, and Companies "A", "B", and "C". The increased enrollment made it possible to organize two platoons, both at practically full war-strength, in each of the three Rifle Companies. Headquarters Company, in addition to its band work, played the roll of a Weapons Platoon, enabling maneuvers to be held with the use of a complete Rifle Company, with actual opposition of at least a Platoon.

The greatly increased enrollment in the school was, in another sense, something of a handicap; for the reason that over two hundred "new boys" had to undergo training, with fewer qualified instructors than were available at Manlius for years. The assistance of Lieutenant Colonel Joseph A. Cistero, Retired, and the detailing of Staff Sergeant

The Color Guard

John C. Lane, DEML, here for duty, partially compensated for this lack of instructors.

The Fourth-Year Class numbered only eleven cadets, of whom only one had satisfied his ROTC Camp requirement; hence, Cadet Major Floyd John Currie was the one cadet eligible for a commission on June 13, 1943. Other qualified graduates will be ordered to an Officers' Training Camp for the four-months required course, prior to being offered Second Lieutenancies in the Army.

Only one formal inspection was held during the year. On May 28-29, 1943, Colonel David Barnett and Lieutenant Colonel Ole Danielson, both Infantry, conducted the annual War Department Inspection.

The Corps of Cadets can well be proud of their showing throughout the year. It has been apparent that the Manlius spirit of "fight, in spite of handicaps", is being carried on in military work now, as in the past.

On June 19th a telegram from the Adjutant General announced that Manlius had been designated an Honor School. This is the thirty-ninth time that the school has been successful in achieving this distinction.

THE SCHOOL was awarded the Minute Man Flag for a high percentage of Cadets enrolled in the war bonds and stamps drive this spring. After regular Sunday parade on May 9, Lieutenant Victor Curran, of the Onondaga County War Bond Committee, made the presentation speech, expressing the purpose of the drive and its significance to the war effort.

Joining the nation in its drive for metal scrap, the School parted with several pieces of iron that had for years been landmarks here, among them the old German howitzer. In celebration of the event, the Battalion marched to the village one Sunday morning, lugging its contribution to the village scrap pile.

IN THE PICTURE BELOW are the two War Department inspecting officers, with Colonel Collette. The officer in the middle is Colonel David Barnett and on the right Lieutenant Colonel Ole Danielson. On the first morning the program went without interference of rain until about noon, when a downpour drenched the units presenting calisthenics. In the picture at the top of the page, Colonel Danielson is seen inspecting rifles of Company B.

THE OLD MANLIUS SPRINGFIELDS have gone to war. In their place the War Department furnished the so-called Victory rifle, with wooden stock, dummy barrel, but with bolts of metal that simulated loading motions like the real McCoy.

The retreat formation below was one late in the spring, at a time when the Band played as the flag was lowered and for the march into evening mess.

A FAMILIAR SIGHT at Sunday parades, here we see the dipping of the school colors, as the Band plays in the background.

Below is the Ski Platoon, an organization the first of its kind in the country. This year it was headed by Cadet Lieutenant Michael Sendzimir.

FOOTBALL

COACH VIC HANSON started football practice with a hard workout the day school opened, stressing blocking and tackling. This was only eleven days before the first game on the schedule, with Morrisville Aggies. John Piro, who was being groomed for the post of quarterback, suffered a shoulder dislocation during the first week of practice and was out of the game for practically the entire season.

So the Red and Black opened its fifty-fourth football season on October 3, against the powerful Morrisville eleven, the game being played at Morrisville. Mandarino, fullback, and Stolarczyk, left guard, were out with injuries early in the first quarter. Yet Mandarino was in there long enough to score, soon after the kickoff, after a 70-yard march by the Cadets. He went over on a four-yard plunge through tackle and place-kicked for the extra point.

In the second quarter the Aggies tied the score with a pass over the goal line, making good the extra point by falling on a blocked kick. In the fourth period the Aggies secured the winning touchdown on a long drive and a four-yard plunge. Toward the end of the game Manlius got two points for a safety when O'Haire blocked an Aggie punt which bounced from the five-yard line into the end zone.

Manlius defeated St. Anthony's of Syracuse by a 34-0 score, in a contest in which the Cadets outmatched their opponents. With Mandarino benched because of injuries, Joe Erickson played fullback position. Highlights of the game were long runs by Erickson, Frank, and Sherman. The Red and Black made six points in the first, twelve in the second, and sixteen in the third quarter.

On Kallet Field, October 17, the Cadets defeated R.P.I., 26 to 0. Hard ground attack and alert defensive work accounted for the score. Using a double-wing formation, Man-

lius reverses and spinners baffled the opponent. Long gains were continually made by Erickson, Frank, and Birge. Shortly after the opening kickoff Manlius got a touchdown, Erickson bucking over the line after an eighty-five-yard march. In the second quarter Erickson scored, following a twenty-five-yard gain by Frank. This feat was duplicated in the third quarter for a third touchdown. George Culbertson, left guard, did great work in getting through to down the ball carrier time after time.

Playing against Rochester on Saturday, October 24, the Red and Black defeated the Freshmen, 33 to 13. The Cadets scored five touchdowns, once in each of the first three periods and twice in the fourth. The Frosh made two touchdowns, once on a thirty-yard run after an intercepted pass, and again on a reverse field run from the middle of the gridiron. Mandarino, recovered from injuries, played at halfback position nearly all the second half.

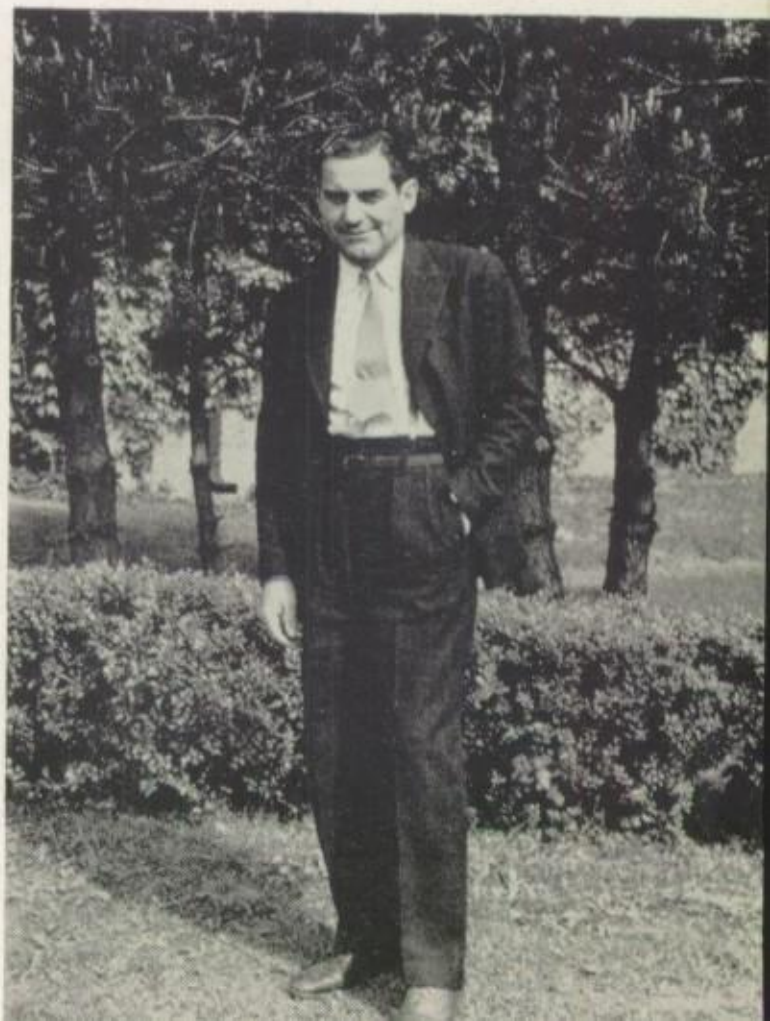

For Parents' Day, October 31, Manlius played host to Union-Endicott High School. The visitors went home with the bacon, on the long end of a 27-7 score. The Cadets seemed to be in a slump, with Union in the pink of condition.

Completely outplaying the opposition, the Red and Black defeated Watertown High School graduates on Kallet Field on November 7. The score was 26-0. Mandarino starred, going over for three of the four touchdowns made, aided by excellent blocking. The first score came when Mandarino took a pass from Frank, going over from the twenty-yard line. The second and third were made on the ten and twelve-yard gains, and Joe Erickson, fullback, accounted for the last on a one-yard buck.

Manlius met defeat on November 13, losing to Morrisville on our home gridiron, 13 to 0. The game was played during a furious snow and wind storm. Superior power and beef counted heavily. Early in the first quarter the Aggies drove to Manlius' twenty-yard line but fumbled. In the second quarter they scored on a completed pass. At the beginning of the second half a long drive put the Aggies in scoring position and they easily pushed over.

The Cadets closed the season on November 21, losing at Watertown to the High School graduate team. The Red and Black lost several scoring chances within a yard or

Coach Vic Hanson

two of the goal line. Trailing 12 to 0 at the half, Manlius took complete command of the game from then on, scoring once and gaining great yardage.

BASKETBALL

ON THE HARDWOOD COURT, the Red and Black basketball team, under the able tutelage of Capt. Nevin Shankweiler, played a schedule of eighteen games against top-notch competition. Although handicapped by having only a short period of practice before the season began, the team was brought along nicely to its first encounter, that with the Manlius Village Nomads. This was a thrilling contest, which at the end of forty minutes of play resulted in a 42-42 tie score. The Cadets, however, in the overtime period, drove on to a 49-46 victory.

The next three games, against Pebble Hill School, Central City Business Institute, and Cazenovia Varsity Club, were all ably won by the Red and Black basketekers, making the record read four wins and no losses.

Defeat was tasted when the University of Rochester Freshmen stopped the team, even though it played hard, to win by a 37-30 count.

Outclassed by the Cortland Normal School and the Syracuse University Junior Varsities, the Manlius cagers were defeated in the next two games.

Norwich High School, in the following game, took advantage of their first-half splurge to win over Manlius. Another win was scored when the team came back, playing its usual fine game, to take the Central High School hoopsters from Syracuse into camp by a 45-40 count.

During the weekend of the Winter Carnival the Cadet Five lost to the brown-clad boys of St. Anthony. The last win of the season came when an improved Central City Business Institute aggregation was again downed.

The rest of the season seemed to be jinxed, for the five remaining contests were lost, three of them by a very close score, two going into overtime periods. However, the first of these games proved to be the best ever played by the Manlius team. On the University of Rochester court, the Big Red played inspired basketball to electrify the crowd as it battled the Frosh to a 43-43 tie. In the exciting, thrill-packed overtime period which decided the outcome, a beautiful basket scored by Rochester, after Roy Porter of our team had scored a foul shot, gave the 45-44 victory to the Rochester team. A high compliment was paid to the Manlius Cadets when Spike Garnish, the coach of the Rochester team and former Manlius athlete, said that after a long time he had again seen the old Manlius fighting spirit in action.

Two more close games followed a loss to the far superior Syracuse Jayvee Orangemen. In another overtime game the Manlius basketekers were downed by the Cortland Normal School Jayvees, 34-32. A loss to Camillus was followed by a 32-31 defeat by Nottingham High. The season's record stood at six wins and ten losses.

High scorers for the season's play were the fine forwards, Warren Frank and Roy Porter, with 151 and 91 points respectively. Frank's accuracy from the foul line accounted for many of his tallies. The accuracy of the fast, sharp-shooting guard, Olin Angell, from mid-court, accounted for his 79 points. Regular starters were Frank, Porter, Nixon, Currie, Angell, Sowdon, and Culbertson.

Throughout the season, the Manlius squad, with excellent coaching, played sound basketball with the good sportsmanship and valiant fighting spirit of traditional Manlius teams.

BASEBALL

AS SOON as school reopened after spring vacation, Coach Shankweiler issued a call for candidates, with the hope of producing a combination of fine batting power and alert fielding. The only veterans from last year about which to build a squad were Paige and Kilpatrick. The following candidates reported: Mazzola, Porter, who later was elected captain; Anderson, Sowdon, Frank, Angell, Stolarcyk, Guernsey, Currie, Gledhill, Boehm, Shoemaker, Castle, Perry, Mosher, Dunlop, and Jordan. Pete Schwarz was elected manager.

Opening day for Manlius was May 6, when we played host to North Syracuse High, trampling them, 7-0. The highlight of this game was Bill Currie's pitching, in which he struck out ten opposing batters and missed a no-hitter when, with two out in the seventh, Bennie tripled to left center field. Currie had perfect fielding behind him throughout the game.

The following day, Gledhill duplicated Currie's feat by also pitching a one-hit game, this time against Pebble Hill on their diamond. This game was tied up until the top half of the seventh, when Manlius clinched it, putting over six runs. The final score was 7 to 1.

On May 16, Norwich High journeyed here, only to feel the weight of Currie's arm, and lost, 3 to 0. Oddly enough, Manlius was out-hit in this game, 5 to 4, but we took greater advantage of the hits that were made. Again no errors were made by the Red and Black.

Next we encountered Vocational High School of Syracuse, keeping up our winning streak by nosing out a 2 to 0 victory over them. Gledhill did a fine job on the mound for the Cadets, limiting Vocational to two hits. Sowdon's and Porter's doubles were the deciding blows of the game, both leading to eventual runs.

Two days later, Manlius really teed off when they trounced Pebble Hill to the tune of 13-4. Art Shoemaker started on the mound for Manlius but needed some help in the first inning, when the Pebbles scored three times. Bill Currie came in to finish the game. Manlius got ten runs in the first three innings and picked up three more in the fifth.

On May 29, the squad traveled to Norwich, where they were to suffer their only set-back of the season, in a very close game, 3 to 2. Only one Norwich run was batted in, the last run coming in on an error at home plate.

Coming back to their home diamond, the squad redeemed itself by walking over Central High School by a 9 to 0 score. Gledhill limited Central to three hits and had perfect support in the field. The team made 11 hits and also recorded a double play in the books, erasing any threat that Central might have wielded.

Nottingham found the same fate in store for them as Central, dropping the game, 7 to 4. Larry Castle started for Manlius and did a fine job but needed relief when Nottingham scored three times in the second. Currie came in as relief pitcher and saved the day for Manlius, not only on the mound but in the batter's box as well.

In a stirring, spirited game, characterized by the will to win so evident all season, the Red and Black concluded its schedule by defeating the strong Fayetteville nine, 8 to 4. It was a fitting climax to a very successful season. Bill Currie thus creditably ended his pitching career here.

We want to give credit to everyone, including Coach Shankweiler and Lt. Shearer, who aided in the coaching. Everyone connected with the squad should be congratulated on a highly successful season. The record of eight wins and one loss is something for next year's squad to shoot for.

HOCKEY

THE TEAM this year was under the handicap of a late start, but finished with a fair record. Practice started about the 12th of January; the first game was played only five days later. The team defeated Skaneateles, 12 to 1, in its opener and followed by losing two games to Valley. Then Clinton came to Manlius for the carnival and, because of illness and weekend leaves among the Cadet team, easily won by a score of 4 to 1. The return game with Clinton on their ice resulted in a 3 to 2 victory for the Cadet team.

Captain Swain was outstanding on defense for the Manlius team, while Kearns, the goalie, was exceptional in the nets. Other members of the team who played well throughout the season were Paige, Anderson, Clark, and Chapin.

SKIING

STARTING THE SEASON with a small nucleus of members from the preceding year, the ski team began its training soon after the reopening of school after the Christmas holidays. In the only full-fledged match of the season, the Cadets won a victory over Eastwood High. This was a match of an unusual kind, a ski relay. The Manlius first team came in first, with a score of 24, Eastwood following with a score of 31. The Manlius second team finished third, with a score of 150. Gryzick of Manlius finished second, topped by Gamble of Eastwood. Gryzick's time, 7:10, was followed up by Sendzimir, who finished at 7:11.

On March 3rd, on good, crisp snow, an intramural match was held in the vicinity of the school. There were seventeen contestants. The course started at the grill, ran up through the woods to the cavalry field, back down behind the tennis courts, to the coal chute and back to the ski house, in all about a mile and a half. Headquarters made the best time, Gryzick coming home first, his time being 15:44.

THE RIFLE TEAM did not engage in shoulder-to-shoulder matches with outside teams this year, due to shortage of transportation.

Manlius finished third in the Second Service Command Intercollegiate match, being defeated by Bordentown and LaSalle Military Academies. In the William Randolph Hearst ROTC match, Manlius' first team placed third, being again defeated by Bordentown and LaSalle Academies.

The team this season was coached by Sergeant Lane, who succeeded Sergeant Goswick, who had acted as coach for over ten years..

TENNIS

THE 1943 TENNIS SEASON might be likened to an epic of fog, mist, rain, and wind. Upon just four occasions before the first match the elements abated in their watery onslaught to permit the squad an afternoon on the courts—hardly enough time to get the kinks out of winter-bound muscles and the haze from long confined eyes. On April 22, some eighteen Cadets reported to the coach, Lieutenant Jenks. The ravages of measles and the lure of intramurals finally reduced this squad to ten or eleven, of whom nine finally made the team and played in two or more of the four matches. These were Brown, Clark, Gorton (Captain), King, McClinton, MacDonald, Mayo, Short, and Woodbridge. The summary of two losses to Cortland Normal and two losses to Norwich High School falls far short of conveying a true picture of sets long and closely contested in both singles and doubles play.

GOLF

THE GOLF TEAM, refusing to be bogged down by a series of torrential rains, completed a successful season against difficult opposition. The first match, against Nottingham High, was a decided victory, with the team dropping but half a point to its opponents. It was evident from the start that the players were headed for a highly successful season.

The second contest, against C.B.A., resulted in the first defeat handed the local team for two years, a very close match, $51\frac{1}{2}$ - $61\frac{1}{2}$. Vowing that on their next encounter they would make up for this, the team proceeded to demolish Colgate Varsity to the tune of 6-0. Bud Hall, number one man, played an excellent game with a 77.

Sharpening up their irons and polishing their woods, the team defeated C.B.A. in a rout vengeful, 11-1. Captain Derby was low man, with a 76. The whole team broke 80 in this sortie.

Perhaps the confidence built up by their latest victories was a little too great, for upon their exodus to Colgate's Seven Oaks, they received a rather severe beating at the hands of the once defeated Colgate Varsity. Gifford saved the day by winning his match and best ball to prevent a defeat from turning into a massacre. In this match Derby lost his first match in two years.

WINTER CARNIVAL

ON FEBRUARY 12, the Eighth Annual Winter Carnival started, with fine winter sports weather. On Friday evening an informal dance was enjoyed, after guests and Cadets had witnessed a fine bit of dramatic performance in "The Late Christopher Bean", enacted by Punchinello. On Saturday's schedule were informal skating and skiing, a hockey game with Clinton, and a basketball game with St. Anthony's. Naturally the

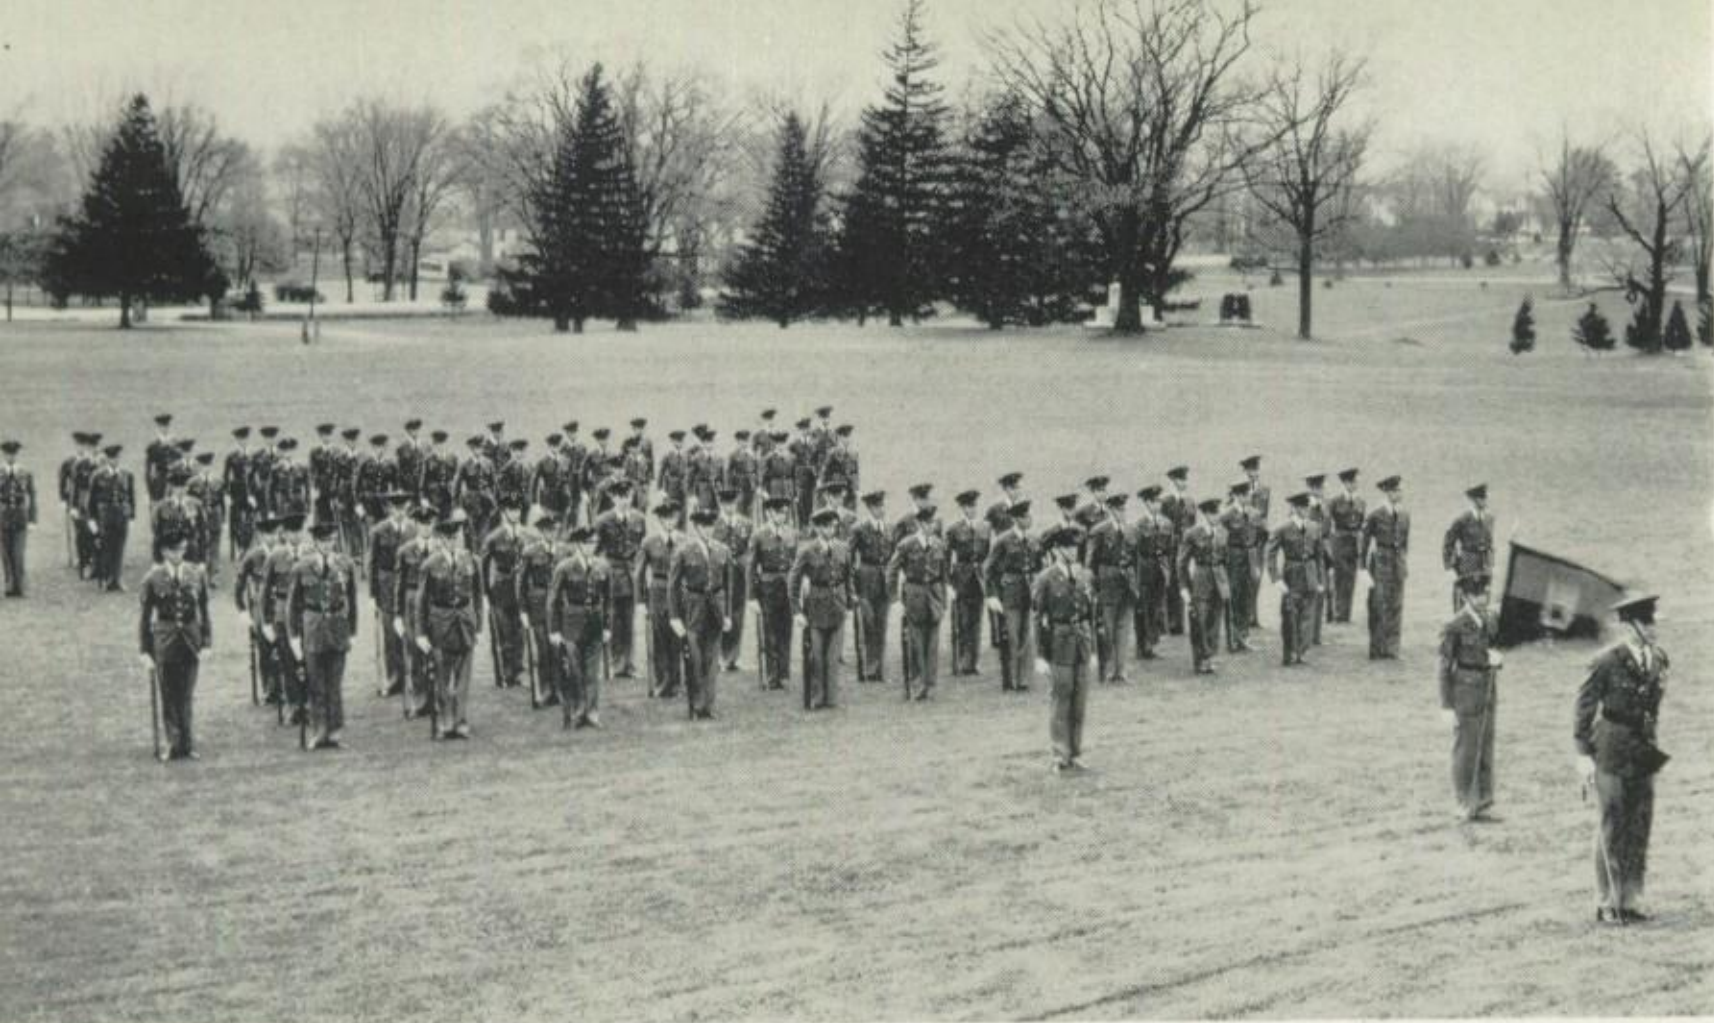

highlight of the affair was the formal hop on Saturday evening. Miss Jackie Winship, of Melrose, Mass., guest of Kenneth Kearns, was elected Carnival Queen. In the picture you see her during the coronation ceremony, passing down the Aisle of Sabres. Bob Loew, Old Boy, furnished the music on this occasion. Sunday's program included informal prayers in the morning and a tea dance in the afternoon.

Great credit is due the various committees that made this carnival the success that it was. We can record this occasion as one of the most enjoyable of the year.

COMPANY A

WITH a greatly increased enrollment, A Company old boys found plenty to keep them busy for several weeks after the opening of school, helping the new ones to adjust themselves to our schedule and to the basic drill essentials. In this respect we were fortunate in having Colonel Cistero as Commandant, since he had experienced a long career in the Army.

In football we tied Headquarters Company for second place in the A League. Placing on the all-company team were Floyd Devenbeck and Dick Knepper. Lieutenant Munz made a good coach, keeping the team pepped up all the time with his enthusiasm.

In basketball our B League team won the championship, though we were not so successful in the A League. Bob Veigel and Joe Mazzola won places on the all-company B League team.

In activities involving individual ability our organization was outstanding. We captured the intramural swimming meet in March. Here Devenbeck starred, winning two events, the twenty-yard and the forty-yard free style. In the ping-pong tournament, Fran Lynch nosed out Ed Holden of B Company in the finals, to take the championship.

One evening during the winter term a spelling bee was held in Knox Hall. The Thomson team won, with these intellectual heavyweights upholding the prestige of A: McClinton, Derby, Wagoner, Romaine, and Deming. In the Brock public speaking contest

in May, Carlos Bello and Don Hitchings were chosen to compete in the finals. Don Briggs won the song-writing contest in December.

We enjoyed the Christmas party immensely, Captain McClinton and Lieutenant Flagg both acting as Santa, for the problem of distributing gifts to a gang as large as ours proved too much for one. Thomson Hall certainly does its bit for the Carnival; we all have to vacate for the weekend. But since it's all in such a good cause, we don't complain.

We were particularly gratified to have Bob McClinton chosen senior class president and Roland Derby as secretary-treasurer. Lieutenant Andy Talbot left in January to enter West Point. We were sorry to see him leave, for he made a good officer, with his natural ability and long experience at Manlius.

COMPANY B

COMPANY B was proud to have made a good record in intramural sports and naturally gave Captain Short a great ovation when he walked to the platform at commencement time to accept the intramural shield. In fact, we started out the year well, winning the championship of the A League race. For this we annexed 100 points and were enjoyably entertained by Lieutenant and Mrs. Sampson the evening after the final game. Our team won four games, lost none, and tied two.

Hadley lost the B League championship to Headquarters, 18 to 0, in a playoff caused by a tie game the day before. Though we lost this title, we did crash through with a celebration in our Commandant's quarters. Jack Chiesa, Dick Jordan and Dick Sowdon were chosen for the all-company A League team.

Front: H. Hohneker, Matheos, Jordan, Garten, Pepper, Polowy. *Middle:* Crandell, Chiesa, Phillips, Maslak, Sowdon, Hobson. *Rear:* Coach Sampson, Schramm, Perry, Richter, Serafini, Booth, Barrett, Goulston.

In basketball we ended in a tie for second place in the A League, but took only third place in the B League. However, Dick Perry and Stanley Maslak placed in the all-company team of the A League, while Gerard Phillips and Don Mosher made the B League team.

In rifle marksmanship during the fall term, B Company won with a score of 77.

The Company Christmas party was an enjoyable affair. Walt Vogt proved to be a chubby, genial Santa of the right type. We were were sorry, by the way, to lose him when he left for the armed forces soon after this. A distinct innovation at this season was the Company choir, which sang carols on the campus and at the doorsteps of several members of the faculty one evening before Christmas.

Harry Hall caused us some concern when he was suddenly carted off to a Syracuse

hospital for an appendicitis operation. With his natural stamina he was soon on the way to recovery.

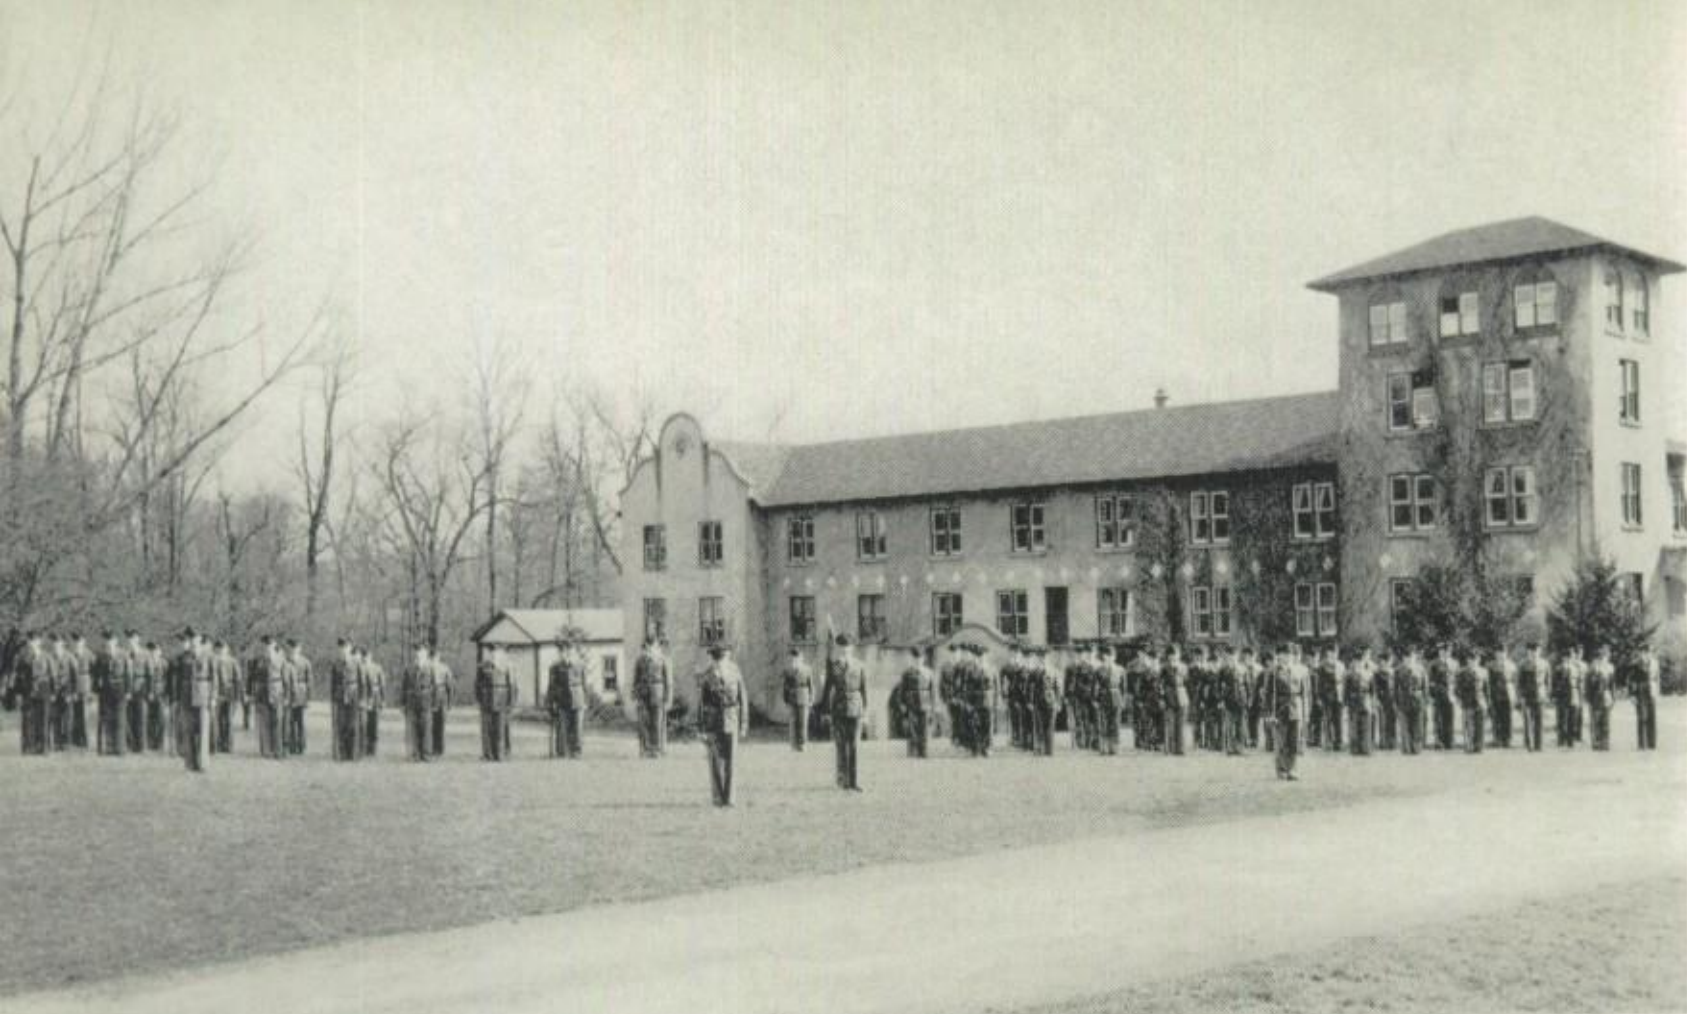

Our intellectuals held forth to good advantage in the inter-company spelling bee, placing second. Here is the quintet representing Hadley: Barrett, Bolduc, Fleck, Gucker, and Mayper. Mayper, incidentally, added honors for the company by being decorated as Head Boy at the end of the year.

In the intramural ski meet scheduled as a cross country run, B Company placed second. We also won the inter-company golf match, defeating A Company 3 to 1. Bud Hall took individual honors in this match.

Great credit is due Bud Marcussen, a valuable officer, excellent student, and capable editor of the Manlius "Blotter" for the year 1942-43.

VERBECK HALL was filled to capacity this year and in the military activities quite some time was required to whip our new boys into shape. But with our capable commissioned officers and non-coms the company became an efficient military unit.

Though we didn't take the football championship, V-H made this contribution to fall sports. It revived its Wildcat team of a few years ago and that became the nucleus of a six-man football league that had an exciting season.

Bob Gorton won the free throw tournament at the close of the basketball season, scoring 22 out of 25 tosses. He thus annexed the Evans cup, competing in a field of forty. In the intramural track meet in May, Cadet Barnard was outstanding, taking the high jump with a leap of five feet.

First Row: Lampl, Mucher, Bubel, Knapp. *Second Row:* Dunlop, Corbett, Hill, Farmer, Monfort, Stanton. *Third Row:* Coach Shankweiler, Mason, Selden, Kearns, Hunner, Stone.

Verbeck Hall underwent physical changes this year. A new roof was put on the building. The company room was remodeled and several rooms on the ground floor added to provide for increased membership. The father of Cadet Clancy filled a much-needed want, donating a piano. That it was played constantly after being installed is proof that it was appreciated.

Just before the holidays the company enjoyed a Christmas party, with Bob Corbett acting as Santa Claus.

Certain changes occurred in our personnel. Floyd Currie became Cadet Major of the Battalion when Jack Lieb left for the service. So Ed Rosenstein was raised to the captaincy, and he did a fine job as head of our company. The company presented Captain Currie with a watch and chain as a token of the high esteem with which this popular V-H leader was regarded.

First Row: Black, Day, DeWitt, Lunt, Dunlop
Second Row: Sardino, Clancy, Leffingwell, D. Clark

Front: Spencer, Sardino, Bubel, Farmer, Barnard. *Rear:* Coach Shearer, Gorton, Kniffin, Sudgen, Boehm.

When Lieutenant Sedgwick was appointed Commandant, he immediately took hold like a veteran and soon had the organization functioning and working hard for success in all activities.

Many of our company deserve individual mention, but there is space for only a few. Bill Bubel had the distinction—though short-lived—of being the only man in the Swing Band not belonging to Headquarters Company. Dick Wilson was active on the stamp and bond drive. He and Pete Schwarz, who has done good work as manager of several school teams, were enthusiastic ad-getters for the Haversack. Pete also won the Hunt manual of arms competition at commencement.

Two track stars that might be mentioned are Walt Boehm, who took the high jump and half mile in the meet with Fayetteville, and Hurley, who won the mile event.

HEADQUARTERS COMPANY

HEADQUARTERS has had a most active year under the able guidance of Lieutenant Wight. The concert activities of the Band actually began toward the end of the winter term, when Lieutenant Schultz became its director. A joint concert with the Glee Club on March 13 marked the first radio broadcast of the Band in several years, when it appeared in Station WFBL, Syracuse. This concert was repeated, with minor changes, on the following day in Knox Hall for the benefit of members of the Battalion who might have missed the broadcast.

The Band received an ovation in Norwich on Monday, May 10, when it was featured in a U. S. Government "E" award to the Norwich Pharmacal Company.

The review during Government Inspection on May 27 afforded the Band a splendid

opportunity for displaying its talents in a series of Sousa military selections. All of the music for a drum-head mass on Sunday, May 30, Memorial Day, was played by the Band out-of-doors.

The other work of this organization has consisted in playing for Sunday parades, special reviews such as those for former Governor Miller and Brigadier General Denig, evening mess formations, athletic events, and commencement day exercises.

Headquarters Company finished the 1942-43 football season by finishing second in the A League football schedule and winning the B League championship in a post-season contest with B Company. The A League team was captained by Jack Lieb. Bicknell, Pollets, and Talbot carried the B League through to their championship in the six-man league. Little, Lieb, Hilditch, Gifford, Forst, and Childs were named on the all-company squad.

With Don Allen and Bob Sherman leading the way, the Boys of Thomson Towers had little trouble continuing their lead in the A League basketball schedule to take every game by wide margins. The team was fast and alert. However, the B League team ran into considerable trouble and failed to win a game.

The spring sport season ruined a very good year for Headquarters teams, however, as they finished last in all other sports. The softball team started very slowly, but gathered speed and in the last two games of the year defeated A Company and C Company, which had been the league leaders up to that point. Leland Little showed up as a good track man in the 100-yard dash and the broad jump. His performance, along with that of Hilditch, pushed them within one point of beating A Company out for third place in the all-company track meet.

Second Row: Davis, Hilditch, Cryan, Pollets

Having stood here for years, a symbol of America's might and Germany's fall in 1918, the old Howitzer went the way of all scrap last October. Only under pressure of patriotic appeal was this landmark parted with, formerly as rooted to its spot as the giant elms and maples on the campus are to theirs.

HAVERSACK BOARD

IN FEBRUARY the Senior Class, with a rush, decided that it would sponsor the yearbook. A staff was quickly formed and contracts for printing and engraving were soon under way. The staff planned a book with a greater number of pages than usual and made minor changes in the arrangement of material.

The advertising department, headed by Roland Derby, got an early start and enthusiastically solicited ads. David Fairchild, out for several weeks just when things were tied up the most, took hold on his return and got the copy well lined up. Gerard Bos, as art editor, saw to it that all pictures necessary were available; what was lacking, he took himself!

Editorial Staff: David Fairchild, Robert Gockley, Carlos Bello, Robert McClinton, William Romaine, Norris McCann, Albert Reed, Richard Wagoner. *Business Staff:* Roland Derby, Peter Schwarz, Richard Wilson, A. Dan Hohneker. *Art Staff:* Gerard Bos, Foster Sherman.

THE BLOTTER

THIS YEAR, for the first time in many years, the "Blotter" was published by a staff of cadets. Early in the fall, Captain Arthur L. Evans held a meeting of a few well-chosen boys to undertake this task. With Captain Evans acting as adviser, the Staff functioned well, day after day, gathering the news and editing it in time for the deadline, 10 o'clock in the morning, in order that the School would find the news on the tables at noon mess. Bud Marcussen was editor-in-chief, acting as rewrite man oftentimes. The others on the staff were Robert Gockley, Dan Hohneker, and Willard Streeter.

PUNCHINELLO

THREE DISCOVERIES and three successes, all of them glittering, marked a gala season on our own Little Broadway. The discoveries: Fairchild's splendid acting, Lampl's ingenious stage management, and Cooperstown's alluring charm. The successes: one performance of *Dr. Jekyll and Mr. Hyde* and two of *The Late Christopher Bean*.

The curtain rose on the opening production December 12th, with Fairchild striking terror in the hearts of his audience by his awesome shuttling between the personalities of Jekyll and Hyde. Lampl's skillful stage set, cleverly lighted by Greenleaf, supplied the eerie atmosphere in which the others of the cast — J. Foster, Bolduc, Williamson, Giles, Lapp, Polowy, Kilpatrick, R. Smith, and Deming — acted out the famed R. L. Stevenson story.

February 12th found the Knox Hall boards again busy, this time with Sidney Howard's Broadway hit, *The Late Christopher Bean*. Here the ever-versatile Fairchild stepped into the serio-comic role of Abby to share honors with Marcussen, who portrayed Doctor Haggett. Kilpatrick as Mrs. Haggett, J. Foster as Creamer, and McClinton, who at the eleventh hour stepped into the role of Tallant, turned in superlative performances. Nor was anything but praise heard for the others of the dramatis personæ, among them Deming, Whitely, Bolduc, and Clune. Sharing laurels with the actors was Lampl's stage crew, made up of S. Kaplan, R. Sherman, Neslage, and Fleck.

Chris Bean went on the road April 24th, journeying with the cast and stage crew of the first production to The Knox School at Cooperstown, N.Y. Here, for one afternoon and evening, all the world was a stage, and that world was Punchinello's onion. The show soared to new heights, even beyond the peaks attained in February. Next morning, the first road show in years of Punchinello history, returned in triumph home, with glory as its captive.

CHAPEL WARDENS

THE SOCIETY OF CHAPEL WARDENS, as in previous years, has sponsored the religious activities of the School. They made the weekly arrangements for chapel services in Knox Hall. This year a special drum-head Mass was held on Memorial Day, on the main parade ground in front of Comstock Hall.

Officers are: President, Bob McClinton; Vice-President, Bud Marcussen; Secretary-Treasurer, Bob Short. Other members: Maynard Lydiard, Vincent Rogers, Don Allen, Floyd Currie, Dick Flagg, Bill Chapin, Abbott Greenleaf, Ed Cave, Spence Swain, Ev King.

CAMERA CLUB

THE CAMERA CLUB held a popular and attractive exhibition during the winter term, entries all being of high order of craftsmanship. New equipment was purchased, including an enlarger. Instructive illustrated lectures were enjoyed weekly. Because of transportation difficulties, only one field trip was possible, that to Chittenango Falls, where some good shots were taken.

President of the Club was Foster Sherman; William Bacon, Vice-President, and Cleland Ross, Secretary-Treasurer. Other members: Gerry Bos, Harold Fuller, Jack Dederick, Jim Fleck, Bill Daymont, Bob Cruse, Gene DeWitt, Don Crandell, Bob Rutledge, Nelson Barrett, David Day, Howard Smith, Phil Reading, Warren Seem.

STAMP CLUB

THE MAIN ACTIVITY of the Stamp Club consisted in selling war stamps and bonds. The table in Comstock, as well as appeals in the barracks, resulted in the award of the Minute Man flag to the School. A percentage of ninety-four was attained during the most recent drive, and as a result a certificate of commendation was awarded by the County directors of the drive. Several meetings were held, during which swapping of stamps took place. To celebrate, the Club attended a night ball game and supper at Syracuse.

Officers of the Club: Dick Wilson, President; Rudy Meissner, Vice-President; Howard Smith, Secretary; Louis Matheos, Treasurer. Other members: Ray Long, Prescott Lunt, Danny Clark, Bill Martin, Don Crandell, Art Moreland, Bob Obrey, Jim Poland, Nels Barrett, Bob Cruse, Bob Pitluga, George Nellis.

KING CLUB DIRECTORS

THE BOARD OF DIRECTORS of the King Club was organized early in October and made certain changes in regulations for use of this recreation center.

The following are the directors: Bob McClinton, Floyd Currie, Bob Short, Dick Flagg, Bill Kilpatrick, Dick Birge, Chet Polowy, George Clune, Bill Chapin, Maynard Lydiard, Bud Marcussen.

In repose: Lydiard, McClinton, Currie, Short, Marcussen. *Standing:* Polowy, Flagg, Chapin, Clune, Kilpatrick, Birge.

WIND MILL STAFF

DESPITE ITS LATE START this year, The Windmill has proved again by its complete and able coverage of the news, that it is fully worthy to function as our school chronicle. This year the best features of last year's paper were incorporated with some fine new ideas. The combination proved very successful in the short time it held sway as the voice of the student body.

Editor-in-Chief, Dick Arnold; Business Manager, Bob Crocetta; Sports Editor, Bob Gockley; Artist, Ed Shackleton; Adviser, Donald W. Patten.

MODEL AIRPLANE CLUB

THE FIRST ORGANIZATION of its kind instituted here, the Model Airplane Club was founded in February. Since that time it has become one of the most active clubs on the campus. The Club undertook the following projects: an exhibition of hand-made models, painting and exhibiting of the school's plastic scale models.

Bill Mason is President, Bob Wasson is Vice-President, Warren Ponemon is Secretary-Treasurer, and Lt. Shearer is Adviser. Other members are Herb Brigham, Frank Coppola, Les Deming, Bob Hobson, Dick Perry, and Bob Rutledge.

Front: Brigham, Wasson, Ponemon, Deming.
Rear: Coppola, Rutledge, Hobson.

GLEE CLUB

THE GLEE CLUB underwent a reorganization this year and enjoyed a successful season. Performances included a Christmas Chapel service, a joint radio broadcast with the band over Station WFBL in Syracuse, a Sunday afternoon entertainment at the school, and a concert at the Stanley Theatre in Utica.

Officers: Director, Gordon Watts; Accompanist, Philip Schultz; President, A. D. Hohneker; Secretary, Dick Bicknell; Treasurer, Chet Polowy; Librarian, O. J. Neslage.

LIBRARY CLUB

MUCH OF THE SUCCESS that the Library enjoyed this year was due to the conscientious efforts of the Library Club. Making certain that the Library was kept clean and that its property was properly taken care of, the Club thereby performed a distinct service to the school. Other services that it performed were: the collection of overdue books, taking books down to patients in the hospital, and maintaining the bulletin board in the main hall. Toward the end of the year a party was held, and plans for next year's organization were laid.

Officers: Bernard Freedman, President; Tom Sugden, Vice-President; Gordon Lacy, Secretary-Treasurer. Dick Moreland, Bob Obrey, Abe Pollets, Jack Neslage, Bob Gockley, Arnold Fernandez, and Bob Veigel were other members of the club.

Neslage, Lacy, Sugden, Moreland, B. Freedman

Seated: S. Davis, D. Hohneker, Aramayo, Lt. Rivera, Williamson, C. Bello, Lt. Schultz, Meissner, Foster, A. Kaplan. *Standing:* Mayper, Neslage, Fernandez, Vivian, Quinby, Lydiard, Sugden, Sendzimir, Barrett, Knepper, Bishop.

SPANISH CLUB

THE CLUB, started at the beginning of the winter term, has enjoyed lectures and motion pictures concerned with our neighbors to the South. Lectures were given on various South American topics by Lieutenant Wight, Cadets Stone and Davis, and by the Club President, Carlos Manuel Bello. Correspondence has been carried on with pupils in some South American schools.

Besides President Bello, Henry Williamson is Vice-President, Dan Hohneker is Secretary, and Mike Sendzimir, Treasurer. Lieutenants Schultz and Rivera are advisers of this group.

SWING BAND

HEADED by two capable veterans of last year's swing aggregation, the dance band showed great promise even when it was formed early in the year. It was engaged to play at the opening dance of the season, an informal affair, which proved so successful that the band provided rhythmic syncopations for most of the following dances. During the winter this band furnished music for evening mess, playing a selected number of popular and swing arrangements.

See picture for members and their instruments.

Front Row: Saxes—Carrow, A. Reed, Fairchild (Co-Director), Rogers, Shaw. Trombones—Blatchley and Patterson. *Rear Row:* Drums—Shackleton. Trumpets—D. Morrison, Garner, Hunt. *At the Piano:* Dix. *Absent:* Bob Gockley, Trumpet and Co-Director.

A YEAR AT MANLIUS

FROM THE DIARY OF
PRIVATE S. PEPYS, JR.

SEPT. 21, 1942. It is the ninth month of the year, and I take my pen in hand to write down this most strange and singular account of my life at Manlius. This afternoon I arrived, being burdened with baggage, personal equipage, and a picture of my dear sweetheart. As I had expected to be shown immediately to the combination living and sleeping room which I had been assigned, imagine the shattering of my fond hopes as I was told to wait at the end of a line stretching—as it seemed—to nowhere. After much standing I passed through a series of rooms, receiving in succession two uniforms, one pair high-topped shoes, some ornaments for my personal adornment, and other articles of the same quaint nature. But after due registration and a fine welcoming assembly I am at last settled in a small boxlike room containing one bed, one double bunk, two desks, a closet, a window box, and some shelves. Having spent the evening in getting acquainted with my roommates, I am now off to bed.

OCTOBER 2. Up at 7:00 and spent the morning in preparation for our first review, in honor of General and Mrs. Singleton. After the review, which did appear to good advantage and is the cause of joy and gladness among us all, to the evening meal, for which the chef had prepared some fine roasted meats with sundry mixed vegetables and tea. In the evening to a meeting whose purpose was to pep up our football team for their first game tomorrow, with Morrisville Agricultural students.

OCTOBER 9. After great expectation from all, in comes Capt. McClinton to announce that a football rally and bonfire are to be this very night, to which we are cordially invited. There by foot to cheer our team with songs and yells, all which, they say, the school took very well.

OCTOBER 27. The marks coming out today, am surprised to hear of the unexpected low marks, which are a cause of many long faces.

OCTOBER 31. This day being kept strictly as the beginning of Parents' Weekend, we all sweated through morning classes until the time when we may be allowed to join our visitors. Then to Syracuse for dinner and a show that I liked very much.

NOVEMBER 6. To Knox Hall for a most welcome and entertaining speech by Alfred Noyes, whose poems, especially "The Admiral's Ghost" and "The Highwayman", I much enjoyed. I did give my friend twenty cents to buy ice cream with and was vexed when there was none to purchase.

NOVEMBER 9. Met with friends, and them and I to see a game of football, this time our opponents being from the city of Watertown, and playing a very good game, though in the end we beat them. Walked to nearby village and there purchased some nails and a quantity of food, the former being for the room and the latter for my own personal satisfaction.

NOVEMBER 14. Up betimes and to classes in order that I might have discourse concerning the scholastic averages upon which so much depends, but I confess I was somewhat disappointed in the 69.94 average of Company A, that seeming low at first glance.

NOVEMBER 17. After dinner to the barracks and my studies, after which we listened to carols being trumpeted about the campus, which methought very fine and Christmas-like.

JANUARY 5. Up and by car to the school, for the winter term of eleven weeks. There was pleased to see "Blotter" and hear much news, viz., that the new cadets are heartily made welcome. I and

roommate to the village, only to be stopped and told that we cannot because of an outbreak of measles there.

JANUARY 18. To welcome our new sergeant, Mr. Lane, who this evening came here to assist our present Sgt. Goswick in the performance of his duties. Then to my studies, but Lord! what a deal do I have to understand any part of them, for I have worked long to master them but at present cannot.

JANUARY 23. By foot to a spelling bee, which Company A won, thus sustaining previous records.

JANUARY 29. This day we have lost one of the finest majors any battalion ever had, it being the occasion for Major Jack Lieb to leave for the Army. Said major being thought highly of hereabouts, all wished him Godspeed and sorry to see him go.

FEBRUARY 11. Met Tom, janitor in charge of Comstock Hall, who told me for certain that the teachers should presently appear in new uniforms, if I should watch, so to see them. That we did and very fine indeed, I thought. Each one now being a capt., lieut., etc., in accordance with his time and position in the school, not with his fitness, it shall seem strange to accord some of them officers' courtesies.

FEBRUARY 14. Last night to my lady, where I find her as fine as possible, and friends going to the ball at Knox Hall, it being the Carnival hop. We also to the ball, with the dancers in laces and silks and clothes of other sorts, all exceeding rich. All the dancing and sight of the persons were indeed very pleasing.

FEBRUARY 25. Up to conference period, and on my way there did observe people busily hawking articles from a table, which, when I inquired, I found to be war stamps, it being the new drive. To make up my weekly account, and I do find that, through the feeding of myself this week, I have spent in that and contributions almost my whole \$1.50, so I am now rather financially embarrassed.

MARCH 7. To the usual routine of the day, where we all did do our very best although that seems insufficient. Then to the grill for dinner, very pretty, and good company and excellent discourse. Great news of the going of Andy Talbot, who has been back here the last few days, as he is preparing to go to West Point. Then back for study hour and then to a party for said Talbot, and it was a joyful thing for us to meet there, for which God be praised! Here did present to him a handsome watch and much fun, though I confess I was as sorry as anyone to see him go, he being an excellent fellow and officer.

MARCH 9. Discoursed with Mr. Evans about a new thing we must all have called a soup pass. It seems that since Lent is held the proper time to relinquish sundry comforts, a custom connected with this has grown up here. We must all be able to show a slip of paper called a soup pass when asked for it by a senior officer, under pain of losing our dessert if we cannot. Since this must be signed by our company commandant, there is much bother on both sides in its procurement. But since it is required, we must do it without protest. This night did manage to sneak on radio for a while to listen to part of a dance band broadcast, it being a relief to hear that, though rather melancholy at times.

MARCH 14. Mightily displeased with soup pass idea and others too, said pass being used chiefly by non-commissioned officers as trick to get desserts for themselves. To me it seems altogether a mess of bother and trouble for such a reason as tradition, which seems to usurp common nourishment. I met friends and to see Willie Hoppe, a much-renowned billiard player, who presented an exhibition at the King Club. It being a very good exhibition and nicely received, I was very glad I had come. And so to bed.

MARCH 18. Up and to breakfast where we discoursed about officers, hearing them talk and observing their manner of discourse. God forgive me! though I admire them with all the duty pos-

sible, yet the more a man considers and observes them, the less he finds of difference between them and other men, though they are princes of great nobleness and spirit. Then to Knox Hall in the evening, where Lt. Jenks instructed us concerning the new V-5, V-12, and A-12 programs, and advised us that we should do well to enter one or the other as soon as possible. It seems that this class of 1943 does bear much strangeness in its load, but we pray God we shall not be too much disturbed by it.

APRIL 16. New film called "Prelude to War", with me to see it. Very timely and informing and of special interest to me because of the topic, having discoursed on same in one of my classes.

APRIL 17. To dance at Knox Hall, sponsored by the sergeants, where much excitement and many fine girls. I did observe a great many people attending about the business of making each lady popular, called stags, and I do believe these stags be much bolder than we who have dates, for we stay with one and they may pick and choose.

APRIL 20. This day did hear that we have bought over \$1000 in defense stamps, which is very good news and cause for much rejoicing. Since the drive started five days ago with \$325 bought the first day, we entertain a most excellent hope that we shall get the Minute Man Flag, said flag being given for 100% purchases.

APRIL 22. To mess, where I read that one of our English teachers has declared his affections to be settled on Miss Margaret Rouse, a very charming lady. Many congratulations because of the engagement and everyone mightily taken with them.

APRIL 25. This day I did celebrate our festival of Easter in most Christian and suitable fashion, by first going to church here and then to Syracuse to the Cathedral, where a very impressive service and fine music, and my parents. Then they and I to a dinner, viz., potatoes, sweet and white, roasted chicken, and ice, and a new show, "Lady of Burlesque", which I much enjoyed, it being pretty and interesting.

APRIL 27. News today in the "Blotter" that a graduate of this school, getting a new promotion, is the youngest lieutenant colonel in our army. To see others, who tell me that he is one Gregory Higgins and 28 years old.

MAY 5. This afternoon did go to observe a military problem which others put on, and much pleased with the sight. One company did attack another, crawling and creeping up to a hill where the enemy was, the progress of the battle being shown to us watchers by means of flags, viz., a raised flag meant that the defending troops had the advantage. Much fun for all of us, especially when it was impossible to see, when we used the time for frolic.

MAY 9. This afternoon to Knox Hall for a concert played by Lt. Schultz, which I thought very fine, especially a piece called "Darktown Strutter's Ball", which although old, is still one of the best pieces I ever did hear. Then to supper and study and so to bed.

MAY 27. Up very betimes in order to make myself ready for the dreaded government inspection, which starts this day. Spent the day with friends in carrying out the inspections and demonstrations and in consoling ourselves that it cannot last forever, for all things come to an end.

MAY 28. Again up early to carry on with inspection, which today concentrates on practical and theoretical tests. Later I take time out to give up praises that I was not called on to answer any of the questions, said fact enabling me to get through in tolerably good shape.

JUNE 12. Last day at Manlius and with mingled feelings all we seniors were gathered at Knox Hall for graduation exercises. Yesterday was taken up with giving awards and the famous commencement prom, to which I escorted my guest and enjoyed myself exceedingly, it being romantic and sentimental. To bed late and up early today for the graduation exercises. Then having received my diploma, to my home again after bidding farewell to all my friends at Manlius.

THE DAWN OF A NEW ERA IN PHOTOGRAPHY

Under the stimulus of war time research and production of new optical equipment, the post-war photographer will be amazed and thrilled with new developments. Truly the dawn of a new era in photography.

Right now, Ilex is engaged in 100% production for our armed forces. Ilex skill and precision, now so vitally important to the production of shutters, lenses and precision

optical equipment, will one day be devoted to peace-time production that points to revolutionary performance.

In the meantime, let us all do our utmost to cooperate with our government in speeding the day of Victory. Invest in U. S. Bonds and Stamps now for the better days ahead.
